## **NOTICE PERTAINING TO RIGHT OF WAY (ROW)**

Recently, we have noticed that a few residents have placed permanent fixtures, mostly planters/flower boxes/trees, etc., in the Village owned Right of Way (ROW). We have also seen structures such as porches or landscape walls built in the ROW too. While we are very appreciative of our residents taking care of their properties and beautifying, putting objects in the ROW becomes a liability for both the Village and the owner of the property. To explain, the ROW is the area between the curb and generally about 13' inward from the curb. The area of the ROW varies street by street with some streets (Albany Avenue is one) having a larger ROW. Sometimes ROW is misunderstood because the Village owns the ROW but the homeowner is responsible for its maintenance (including sidewalks). Please do not put us in a position where we have to mandate that you remove a structure from the ROW. **If you are putting anything in or near the ROW, including replacing existing fixtures/structures, please contact our Building Department at 273-2201 and make sure you are in compliance beforehand.** If you presently have something in the ROW, please call immediately. Thank you for your anticipated cooperation.

## WHAT'S HAPPENING IN GREEN ISLAND

May 14, 2018

Dear Friends,

Sorry I was not able to send you a newsletter last month. We had to get out the guidelines for recycling and we can only put in so many sheets of paper in with the electric bills without going over the postage limit – so I cut out my letter. That is only the third time I missed writing my letter since I started in 2003. And this one won't be too long because I can only use one side so we can put our 2018 GIG Concert schedule, sponsor list and “specials” menu on the other side. I am so excited that we will be starting up in less than two months. We have a great line up of bands and new activities planned. But we couldn't do any of this if it weren't for our very generous sponsors. Please look over the list and thank these folks if you see them. And of course our GIG-A-BITE crew is ready to tickle your tummy. Can't wait to see you all there and please bring your dancing shoes!

Our Memorial Day Parade is on Thursday, May 24<sup>th</sup> starting at 6:00 p.m. Our Grand Marshals are Ed Boudreau and Al Valenty this year. Ed and Al are the last surviving members of the Last Man's Club and we are delighted that they are joining us. If you aren't marching with us, please line the streets and show your support for all the men and women who are serving or have served our country. And remember that those who made the supreme sacrifice will be watching from up above, so let's show them our appreciation too!

I am sorry to say that there is no Green Island Little League this year. It isn't because of a lack of leadership or a lack of sponsors. It is because of a lack of players. This is the first time since the league was formed in the 1950's that they won't be playing. I don't know if the lack of interest is because kids spend too much time on their phones/social media or they simply have no interest in sports anymore. What I do know is that it is sad for our community. Thank you to the parents and volunteers who tried to keep it going.

Lots of other things going on: The Legion is having their golf tournament on June 22<sup>nd</sup>, the Relay for Life is happening on June 9<sup>th</sup> and the Church of the Good Shepherd has several events scheduled, so please check out the other newsletter to get all the details.

That's it for this month. Hope you are enjoying the Spring weather. It certainly took long enough to get here!!!

Sincerely,

Ellen M. McNulty-Ryan
